Bob & Jim

The LWG's response (3/30/2011, attached below) to EPA's March 16, 2011 letter regarding the use of chemical vs contaminant in LWG documents is acceptable. It is our understanding that the changes to the stormwater loading report will be made as discussed by Jim and Kristine Koch in their phone conversation on March 25, 2011.

We appreciate your attention to this matter. Please let us know if you have any questions.
